HONOR TO WHOM DUR,-Before the matter passes from public attention we desire to put upon record the acknowledgment which all Republicans in the county feel to be due to their gallant brethren of Ritchie township for the victory won in this county last Tuesday. Their majority was piled up till it overtopped by a hundred the majority for GRANT in the county. Latterly the Independent Republic has been somewhat under a cloud, but last Tuesday it emerged once more into the sunlight of victory. In her municipal relations, Ritchietown has ceased to be independeat, but in the indomitable Republicanism of her intrepid citizens she is still worthy of her ancient fame and name. And so we say all honor to the "Independent Republic !" Long may she wave.

Judge Williams recently remarked to a friend that although he could have been elected Senator from Ore-gon, he declined being a candidate in order that he might remain in his present office. There is good reason for stating that any remarks of the Cabinet would be mere speculation. It is too early to anticipate the President's action in the future concerning reforms and measures of administration, further than his intimation to-day that he will endeavor to shape his official conduct so as to meet the expectation of the country, and to unite the people in stronger bonds of peace, while by all means in his power, promoting their welfare at home a broad.

BAGGAGE SMASHERS.—A New York correspondent of the Chicago Tribuna treats semewhat facetiously a matter, which, to a good many people, is a serious one, Here is the extract: Iowa is a nobie State, and presents wonderful evidences of steady improvements; but they do smash baggage horribly and needlessly at Council Bluffs. I will believe traps covariance problems but a dulge in the luxury of revenge. I will bring a trank containing nothing but a well charged torpedo, and at Coanoil Bluffs I will at me down in the distance and watch the operation of the baggage fiends in silent expectation.
